Greetings for the New Year

The year 2019 has come to an end and the New Year has begun to unfold. Let us pause to reflect over the past year, and welcome the New Year 2020.

At this time, I would like to express my sincere best wishes to everyone for a Happy New Year 2020. I wish all of you a meaningful and constructive life for the coming year. We begin the New Year with optimism, and positive expectations, but we never know what the year may bring us. Over the past year many things happened in the life of each family. When we reflect on life, we recognize just how fragile and transient it can be. Throughout this, Amida Buddha's wisdom and compassion will always be there for us. I hope that the coming year will be a meaningful and fulfilling year for all of you and your families in the light of Amida Buddha.

Over the past year, we had some memorable experiences, such as the three major Buddhist Services: Ho-on-ko, Hanamatsuri, and Obon Services within the Buddhist community. At the end of the Summer, some of us attended the World Women's Buddhist Convention, held in San Francisco. We also had the B.C. Federation Convention, in Kamloops B.C. hosted by the Kamloops Buddhist Temple. These and other Temple activities gave us many opportunities to meet Dharma friends. In between, we enjoyed several social events and fund-raising activities. All of these contribute to our sense of community and connection with others.

Within our B.C. Interior Buddhist Communities, over this past year we lost several close Dharma friends. With feelings of sadness and grief in our hearts, we turn to our faith and take refuge in our spirituality to have a sense of comfort and the strength and courage to carry on. The memories of our loved ones and their contributions to us and our lives will remain within our hearts forever.

This past year was different from other years in many ways. Throughout the world, environmental issues have reached a worrisome level. These concerns have been expressed by many aspects of our society in the Political world, the scientific world, the industrial and economical community. People around the world have been concerned by the

increasing and imminent danger for the integrity of our earth and humanity.

A young 16-year-old Swedish girl, Greta Thunberg, spoke at the United Nations Climate Action Summit with the shocking message to world leaders. She said to the people of the world "Entire ecosystems are collapsing. We are in the beginning of a mass extinction, and all you can talk about is money and fairy tales of eternal economical growth, how dare you..." Her leadership and sincerity were indeed convincing to the world. It was a shocking and moving message about climate change and the damage that has been done to the nature of our planet.

There is an urgent need for us to become actively involved in efforts to cope with the multiplicity of changes that have occurred within our planet.

When we look back over past years, we cannot fail to recognize that we have continued to pollute our world and that our planet earth is in danger. This year will be a year to remember our growing concerns about the future of our planet and the importance of becoming aware of the chaos that is occurring within nature. There is an urgent need for us to become actively involved in efforts to cope with the multiplicity of changes that have occurred within our planet.

This coming year, we will face numerous challenges. In this complicated world of today, it is important for us to move beyond our own self-centred lives. We need to recognize the urgency of issues relating to climate change. In today's news, it was reported that by the year 2100 that 1.9 billion people would experience a shortage of water.

As we begin the New Year, may it bring you opportunities to live a meaningful existence. Let us all recognize the interconnectedness of all beings. Let us worship together and deepen our spirituality. As we recite Amida's name, *Namo Amida Butsu*, may we gain the strength to cope with the challenges that the year ahead will have in store for us.

Seasons Greetings and Happy New Year to everyone.

In Gassho,
Rev. Yasuhiro Miyakawa.

New Year's Greeting

Happy New Year, everyone! At the beginning of this New Year, I would like to extend my best regards to you all. Last year again, following the year before, Japan, as well as many other countries in the world, was struck with multiple natural disasters. I would like to convey my deepest condolences to those who lost their lives through those disasters and express my sympathy to everyone affected. In addition, we must never forget that armed conflicts and terror attacks as well as severe starvation is making it difficult to live, and lives are being lost every day.

Last September I had an opportunity to make an official visit to the temples of the Buddhist Churches of America as Monshu for the first time. This allowed me to complete the first round of visitations to all of the overseas districts which include Canada, Hawaii, South America, and the US mainland.

Although every temple and district has its own history and background, many of the overseas Jodo Shinshu temples were established and have been cherished by the Japanese immigrants and their descendants. Reflecting on how sincerely our predecessors entrusted themselves to the Buddha Dharma and how importantly they thought of their temples while facing many difficulties such as World War II, I cannot help but feel grateful and even awe for their tremendous efforts as well as many other wondrous circumstances that have allowed the Jodo Shinshu teaching to be handed down to us today.

However, a considerable amount of time has passed since the Japanese emigrated overseas, and the lifestyle of their descendants, as well as the world situation have changed greatly. In accordance with these changes, quite a few people who are not of ethnically Japanese origin have also come to appreciate the teaching clarified by Shinran Shonin, and attend our overseas temples.

What caused this is nothing but the universality of the Jodo Shinshu teaching that transcends time and space. In other words, Amida Buddha's compassion equally reaches and nondiscriminatively embraces everyone in the midst of all sorts of pain and agony.

In this year, let us continue to listen to the Dharma, considering it is directed to each one of us, and keep moving forward to share it with many other people as possible.

年頭の辞

新しい年のはじめにあたり、ご挨拶申し上げます。

昨年も日本をはじめ世界各地で多くの自然災害が起りました。災害によってお亡くなりになられた方に謹んで哀悼の意を表しますとともに、被災された方に心よりお見舞い申し上げます。また、これら以外にも紛争やテロ・飢餓などによって、日々多くの方が犠牲となり、困難な生活を送っておられることも忘れてはいけません。

さて、昨年9月に、門主として初めて北米開教区を訪問させていただきましたが、これによって、カナダ・ハワイ・南米・北米の全開教区を門主としてお参りさせていただいたことになります。各開教区、また各お寺によって、その歴史や現在の状況は異なりますが、多くのお寺が日本から移住された日本人の方とその子孫によって建立され、護持されてきました。第二次世界大戦をはじめとする様々な困難な状況にあっても、み教えを依りどころとして、お寺を大切に護ってこられた先人の方々に思いを致すとき、今日の私たちにまで浄土真宗のみ教えが受け継がれてきたことの尊く、また不思議なご縁をととも有り難く思います。

一方で日本人の方が最初に海外へ移住されてから相当の年数がたち、日系人の方々の生活も大きく変化し、また、時代状況も大きく変わりました。そのような中で、親鸞聖人が説かれた浄土真宗のみ教えは、日本人や日系人だけではなく、世界中の多くの方に伝わり、各開教区においても、様々な方がお寺へ来られるようになってきました。それは、浄土真宗のみ教えが、時代や場所を越えた普遍的な教えであるからです。すなわち、様々な悩みや苦しみを抱えるすべての人々を包み込み、摂め取ってくださる阿弥陀さまのおはたらきが普遍的であるということです。

本年も自分のこととしてみ教えを聞くとともに、多くの方にみ教えが伝わるよう努めて参りましょう。

2020 New Year's Greeting from Office of the Bishop

On behalf of the Jodo Shinshu Buddhist Temples of Canada, I wish to thank all of you for your support and understanding throughout the year 2019.

While quietly reflecting on 2019, how quickly a year passes. At such times, I wonder what causes us to lose sight of what is truly of value. "What is the big picture of life that Buddhism tries to encourage us to keep in mind, as we live?" When we lose sight of the big picture, without thinking, we just feel we know what we value, and we know what is right. But the essential point of Buddhism is very simple: What we must value most in life... is life itself. We must value this opportunity to live and appreciate this experience that we share together.

My studies for academic advancement through Nishi Hongwanji was successfully completed in June, 2019. Earlier in the month of April, I started a programme to learn Japanese tea ceremony, "Sado" or "Chado". While I was learning how to make and serve green tea, I also learned about the philosophy of tea ceremony. There is a Buddhist saying that is closely associated with the Tea Master, Sen No Rikyu (1522-1591). The phrase is, "Ichigo-Ichie." Literally, it means, "One Moment-One Meeting." Within the tea ceremony, it implies that our coming together in this moment happens but once in our lifetime; let us appreciate this time together.

Ultimately, in the big picture of things, it is certainly not about winning or losing a hockey game. It is not about getting what we want or having our way. Ultimately and most essentially, it is about valuing life and this time we have together. When our Dharma eyes are open, we cannot help but see that we must not take for granted this very moment of life we are living. As I have often asked, "How many months of Decembers will be ours to enjoy?" However many, that number is limited. Realizing this, let us try to live together and work together harmoniously in the spirit of "Ichigo-Ichie." Let us live knowing that each day is new and fresh and at the same time, each moment may be our last. With our Dharma eyes open, let us try to enjoy this winter holiday season, letting go of our complaints, our anger, and resentments and embrace each moment and each meeting with others, knowing that they will never come again. In Jodo Shinshu, we would call a life of Ichigo-Ichie, "A life of Nembutsu."

Thank you for your kindness and support throughout the last year. We look forward to another wonderful year together. I would like to wish everyone a very happy and healthy Holiday Season!

From The Executive

Hard to believe that 2019 is coming to an end and that 2020 is just around the corner. It didn't seem that long ago when we were concerned by the approach of the year 2000 as no one knew what would happen to our computers. However, computers continued to work, and the world didn't come to an end on January 1, 2000, as some feared might happen because of the year 2000 bug.

The last of the fund raising activities was completed on December 7th with the making of the Udon and Mochi. A large number of volunteers came out with many being the Japanese students. Thanks to those who came out to help.

A huge thank you to the many volunteers, members and friends of the Temple, who have helped with our fund raising activities throughout the year. Such help is priceless and has contributed to keeping the Temple running.

Kizunakai Senior's Day was held November 19th. Although a smaller group this year all the guests had fun with the games that Jack had planned and Alan set-up with Sensei's assistance. Thanks for the team work. Rick set up and decorated the tables which made the occasion special. Thanks, Rick. There was lots of food and was enjoyed by all. I think they all rolled out the door after eating so much. The main course was ramen. Alan brought his usual stash of delicious food: Kuro Mame, Kazunoko, Konnyaku. Shirley brought a Daikon and Persimmon Sunomono. Thanks to both for bringing the extra food.

Thanks to those who helped out in the kitchen, Joyce, Barb, Linda, Junko and Peggy T.

Ballots have been handed out or mailed to elect Temple board of directors. Please be sure to cast your ballots by December 31, 2019. If you have been elected to one of the board positions, please consider accepting. New members provide a different perspective, enthusiasm and new ideas.

The Board welcomes any ideas for fund raising activities and also social activities to engage members. Wishing you all the best during the Holiday Season and a very Happy New Year. Hope that you are able to take the time to spend with family and friends and that when New Year day comes around to make sure you eat Mochi and make some good New Years Resolutions.

From The Women's Association

Christmas time!

With the last of the fund raising activities finished, many families are now getting ready for the holiday season.

The ladies were busy making Manju in November for sale on December 7th. All of the Manju has been sold! Part of the sales will be given to a local charity. Thanks to the Fujinkai ladies and other ladies who came out to help and to Rick and Chad who helped press the Anko. It was quite the "Manju making bee". A special thanks to Shirley who organized, made and supervised the Anko and Manju making and packaging. Thanks to Junko for making lunch.

Udon and Mochi making was held December 6th & 7th. Thank you to all who came out and helped. We had a large turnout of volunteers during Mochi making with many of the Japanese students coming out to help. Thanks to Julie and Geri for putting together the lunch for such a large number.

Elections for the KBTWA executive were held and ballots were tallied end of November. Announcement of the executive will be made at the AGM. The AGM will be held at the Temple on Sunday, January 5th, 2020 at 11:00am. This meeting is open to all Women Association members. Lunch will be brought in (this is not a potluck) and will be complimentary. This is a good opportunity to hear about the accomplishments of the Women's Association in 2019.

Wishing everyone a very Merry Christmas and may the New Year bring Joy, Happiness & Laughter.

In Gassho,

Maureen Hatanaka

Ho-onko (Shinran Shonin's Memorial)

Hoonko is a time to commemorate the death of Shinran Shonin, the founder of Jodo Shinshu Buddhism, on January 16, 1262. Literally, the Japanese characters "Ho-On" means "return of gratitude" and "Ko" means "to clarify the meaning of." Ho-onko is the most important for the Jodo Shin Buddhists because it is a day to pay our respects to Shinran Shonin. On this occasion, we assemble together to pay our homage to his memory and to Amida Buddha for having awakened us to the existence of life's supreme debt of gratitude. Shinran Shonin lived in the Kamakura Era, Japan. In a time of disunity and violence, Shinran Shonin sought a way for all beings to attain perfect peace equally. Shinran Shonin interpreted Buddhism on the level of common people. During that period in Japan, to become a Buddhist meant having to leave one's home and family to enter a life of strict practices and intellectual study of Buddhism. Shinran Shonin however, lived the life of an ordinary person, the same as that of the farmers and fishermen. Shinran Shonin had a wife and children. He ate meat and fish. Shinran Shonin lived a Nembutsu life with his family and opened up the path to Buddhism to the common people. If Shinran Shonin had not clarified the teachings of the Primal Vow, our Temple and Sangha would not be in existence today. For this, we praise the virtues of our founder, express our sincere appreciation for having encountered his teachings and reconfirm our true entrusting minds to listen and live his teachings each day.

Dharma School students have been engaged in an on-going fundraiser, collecting refundable beverage containers. Please consider donating your empties by dropping them off in the Temple Hall. Your contributions are gratefully accepted!

Our Temple family lost a long time member when **Mrs. Tomiko Tamaki** passed away on November 2, 2019. "Tomi" spent countless hours over several decades working along side Sid at their grocery store. She was a loving and hardworking wife, mother and grandmother. Her gentle guidance will be missed by five children and their families. Our sincere condolences are extended to Don, George, Lynn, Gord, Bruce and the entire Tamaki family. Namo Amida Butsu.

As this is the last edition of the New Dharma Express for 2019, I'd like to do a little house keeping. Thank-you to Miyakawa Sensei for working tirelessly to share his tremendous knowledge of the Dharma. At each of our monthly board meetings, Sensei reports on his activities from the previous month. He maintains a very busy schedule ministering to the entire interior of the province. I'd like to acknowledge all of the members of the Temple Board of Directors and of the Women's Association for diligently caring for the affairs of our organization. A big Thank-you to the directors for contributing monthly reports for publication in newsletter. Maureen Hatanaka wears several hats within our organization and contributes a report from the Women's Association each month as well as taking her turn with the director's report. To all of our members and friends who have contributed both monetarily and with their labour, with all of our fundraising activities, to ensure that the Temple organization remains fiscally sound.

I also wish to acknowledge the Hunter family for volunteering to ensure the success of the B.C. 55+ Seniors Games, which were hosted by Kelowna this past summer. Jay and Mari with Ice Hockey and Suma with golf. The event was very well received by the thousands of participants and supporters. As mentioned in the September edition of the Newsletter, Kaichi Uemoto and Derek Mayeda also participated in the games. Linda Uemoto and Shirley Tanemura proof read the newsletter and Shirley picks up the hard copies from the print shop, stuffs envelopes and mails them to the recipients that choose to receive paper copies, each month.

I'd like to take this opportunity to extend my best wishes to everyone for a Merry Christmas and a Happy New Year!
